Edition 23

9th July 2021

At this time of year, we are thinking of all the changes that will be taking place in September. At Mill Hill, we are looking forward to the children being in 7 single year group classes. This is the first time that we have been able to organise school in this way for some time and are very much looking forward to it. We have worked hard to keep school safe, therefore the usual transitions will not now take place until September.
