How lovely to see everyone back...we are delighted that, for most, attendance is excellent and that the children have slotted seamlessly back in to school life once again. Could we remind everyone that we will be implementing catch up programmes, so that it is vital that odd days are not missed for minor ailments. 100% attendance is the key to success. It is great to see how many children have progressed with their reading too, whilst being off. Well done to our home tutors!

ORDERING LUNCHES

Please note that children order their meal on the day before it is served. Some children are ordering meals and then bringing packed lunch. The school has to pay for these spare meals.

Please make clear to your child when you will be providing food from home.

All children should have a menu at home in order for you to make choices together. If you require a new menu, please just ask at the office!
Thank you.

Thank you.

We are filled with admiration for all those parents who have so valiantly educated their children, at home, through lockdown. We know it has not always been easy, but you have done a great job!
