Edition 12

16th April 2021

I have been absolutely delighted to witness such a high level of attendance following the Easter break. For the first time since I took up my appointment, we had 100% of our children here across the whole school! This is truly amazing!

I sincerely hope that this level continues, as odd days of absence for minor ailments can have a seriously detrimental effect on learning when vital teaching is missed.

Thank you to all parents who have been so supportive in, quite rightly, prioritising attendance. We look forward to the sunny days ahead, fresh air and more good health.

SWIMMING

Swimming starts on Monday for Year 6. Please help your child to be organised and have their kit ready the night before to prevent any Monday morning stress.

Please note that it is a legal requirement that children undertake swimming. This visit is subsidised by school, we only ask for a £1 donation towards the cost payable online.

COVID RELATED ABSENCE

If your child is absent because they have had, or are awaiting, test results (especially over the weekend or holidays) please inform the school immediately on notify@millhill.n-yorks.sch.uk
Thank you.

Meal Choices

The new school menu has given the children a much wider range of options each day. This can be a great opportunity for them to try new tastes, or foods, that they may not have had before. Plenty of fruit and veg are the key to good health and growth. We like to encourage children to eat from this food group every day.

Please work with us to try to encourage your child to eat the healthy options we offer.

Could we ask that parents do not cross the car park on a morning to bring children into school when staff are parking their cars please?

We have a duty to keep everyone safe, children should enter through the small gate, not via the barrier.

THANK YOU
