Edition 11

26th March 2021

It seems that some children have only just arrived back in school, and now we are on holiday!

It is unsettling for everyone, but the hope is, that with the Spring weather picking up, it will be

easier to get outside to enjoy time in the fresh air without any pressure of work to be completed.

Enjoy your Easter packs (and any Easter eggs you may receive), they come with a Frisbee, bean bags and a ball....all can provide great fun in the park.

There are even art materials for wet days too!

Have a safe, happy and healthy holiday.

We will see everyone back, refreshed and ready for the summer term on Tuesday, 13th April.

Many staff have now had their first dose of the vaccine, which is another layer of safety in school, but this has not meant that we have changed any of our existing system of controls for COVID security. We are still adhering to strict Covid safe routines and will continue to do so.

A sad farewell.....

Unfortunately, Kim Torkington has had to prematurely leave her post as School Cook owing to ill health. Although she has been unable to be in school for some time now, she has been in our thoughts. We will miss her, her smile and humour and her tasty treats very much.... but wish her a speedy recovery and very good health. Keep in touch Kim!

Happy Easter
