As we break up for half term, may I wish everyone a restful and healthy break so that we all return refreshed ready for the run up to Christmas.

Thank you for your support in helping us manoeuvre through these tricky times and in returning parent questionnaires.

Parent Questionnaires

We have been overwhelmed by your positive comments.....

My child just loves coming to school I can't fault the school in any way they have been amazing at supporting my child

I love that we receive regular feedback in reading records. I also think having PSHE sessions (even though they had them before) has been a huge benefit and my children look forward to the sessions :-)

My daughter loves to tell me what she's been doing at school and she enjoys doing her homework

Year 6 parents...not much time left to apply for secondary school. Applications close 31.10.2020

My children regularly talk about what they have learnt and we try to incorporate that into what we do in a weekend, be it castle visit, nature walk, library visit etc. Our children seem to thrive this way by showing/telling us x

The use of purple mash has been great, we enjoy working through the Friday homework together, and I like getting the weekly update emails from her class teacher.
