Lockdown Edition 5

26<sup>th</sup> February 2021

At last, a glimmer of hope.... we are very much looking forward to welcoming back all children (apart from those who are shielding) on March 8<sup>th</sup>.

We will, of course, still be observing all the firm guidelines as set down by the Government until we are notified otherwise. In school, children will be in secure bubbles.

At the gate we ask that parents strictly adhere to social distancing and observe collection times. Further details will follow. Thank you

Sometimes you may change your phone, or indeed move, without informing us. We need to keep our records updated and current.

Please inform us of any changes.

**Recently, we asked you to update your child's permissions record electronically. Could you ensure you have done so please?**

Thank you for your cooperation in this matter.

We are still awaiting consent forms for Bikeability. Chasing up forms takes a lot of office time.

**PLEASE RETURN FORMS WITHOUT DELAY.**
