Special Lockdown Edition

22nd June 2020

School now has a number of eligible children beavering away across the classes, however we are missing those of you who are unable to be here.

Hopefully, restrictions will soon be relaxed and we will be able to welcome everyone back safely.

A HUGE thumbs up to those children at home who have collected their work packs every week, and completed them.

YOU ARE STARS!

PHOTOGRAPH ORDERS

It seems a long time ago that the photographer came, but the orders have finally been collected. We will let you know as soon as they arrive.

Year 6

Sadly, we will soon be losing our lovely Year 6 as they move on to pastures new. These are strange times, when we cannot bid them a proper farewell, but the College staff have been in to school to introduce themselves. The children all know their new forms and are, excitedly, being measured for their smart new uniforms. We wish them well.

BUNTING GALORE!

Whilst they were working from home, some members of staff have been busy bees making bunting to enhance the school. Thank you to Mrs Hoare, Mrs Withington, Mrs Vickers, Mrs Maltby and Mrs Jones.

STOP PRESS NEWS

We are delighted to announce that we have appointed a new teacher for September, Miss Evan Perry, and that with the increase in pupil numbers, the school is moving to 7 classes.

More news to follow on this!

Mr Rochfort has been showcasing his amazing artistic talents and revamping the walls around school. We now have a fabulous timeline in the hall alongside an array of geographic/scientific information.

Beautiful detached des res... who lives in a house like this? Mrs Grainger has given the house in Reception class a complete makeover.

Meet Salt, Pepper, Apricot and Fifi la Belle, the new additions to our poultry flock.

Dates for your Diary

We hope to see EVERYONE back on 7th September.

Like you, we await news on this!
