### **Online gaming film**

With young people off school they are more likely to be playing games consoles to entertain and occupy them. A film has been created to highlight the possible risks of young people being radicalised and groomed through playing online games with strangers who seek to influence vulnerable people via the chat facility.

The film is free and [available on YouTube](#)

### **Hollyoaks radicalisation film**

The full film created by Hollyoaks is [available here](#)

### **Look Again cinema film**

The 60 second advert used in cinemas is [available here](#)

### **Youth violent extremism research paper**

'Youth resilience to violent extremism: Development and validation of the BRAVE measure', has recently been published in Terrorism and Political Violence. The authors for this paper are CTAN member Michele Grossman and Kristin Hadfield, Philip Jefferies, Vivian Gerrand and Michael Ungar.

You can access a free (first 50 downloads) version of the [article here](#).
