Dear Parents and Carers,

We have reached the time of year where the Governing Body has firmed up the plans for school organisation for September. I am very pleased to say that the school will expand to 7 classes for next academic year and the structure is outlined below. There are, for organisational purposes, two year groups that are split between 2 teachers. As always, these staff will work closely together to ensure continuity for all children. When splitting a year group we take into account a variety of factors including age, social groups, siblings and academic need. We know that, inevitably, we cannot keep everyone happy with class structures but we can assure you that a lot of work is put into the decision making process.

Next year (September 2020), following recent interviews, we are pleased to announce that Miss Perry will be joining our teaching team. Miss Perry is an experienced teacher who has a lot to offer the school. Miss Perry is making lots of visits to familiarise herself with the school, planning and staff and is very much looking forward to meeting her class.
