Summer 2020

Dear Parents/Carers

The academic year for 2019-2020 comes to an end on Friday 17th July. It has been a very strange time for children both at home and those who have been in school. Now is the time to relax and enjoy the summer as we all prepare for the next academic year. We are not setting any formal work the children over the holidays but if you would like some activities for them to join in with over the holiday period, please take a look at the websites below or in the Summer Holiday pack that is available for collection from school.

Below are some websites that you may find useful:

<https://www.thenational.academy/online-classroom/subjects/#subjects> – online teaching sessions with a huge variety of subjects/topics. Select a year group before selecting the subject. The foundation section covers the arts, history and geography, languages and RE.

<https://whiterosemaths.com/homelearning> - Free Maths teaching and learning ideas

<https://www.hamilton-trust.org.uk/about-hamilton/use-for-free/> - Various home learning activities. We have been using these Learning from home packs and you can continue with these if you wish, starting at week 8.

<https://www.twinkl.co.uk/> - free resources for home learning

<https://www.purplemash.com/sch/mill-dl6> - Children can continue to access Purple Mash but teachers will not be setting '2dos', children can explore the site and choose their own activities.

<https://www.ictgames.com> – Online games

<https://www.bbc.co.uk/bitesize> - Various learning activities for all areas of the curriculum

Phonics

<https://wandleenglishhub.org.uk/lettersandsounds> - Daily phonics that we will be using in school, we will be using two sessions a day and going back to April 20th sessions

<https://www.phonicsplay.co.uk> – Log in: March20 Password: home

<https://www.epicphonics.com/>

We hope you enjoy your summer holidays and we'll look forward to seeing you all in September. Take care and stay safe!

Everyone at Team Mill Hill
