I would like to thank everyone for taking the time to complete the online questionnaire following our parent consultations (you gave us a 4.78 star rating!) It is always good to hear what we are doing well...and how we can endeavour to improve. Your responses are distributed to both staff and Governors for their comments and actions. The positivity has been a breath of fresh air! We understand that a major issue has been how you have missed coming in to school and are now looking for opportunities to resolve this.

'I have been informed of everything she is doing at school so I can talk to her at home and help her settle in to subjects.'

'We appreciate the regular handover briefing and messages are either relayed via text or the reading record.'

'The school always helps us and lets us know when things need doing.'

'Friendly welcoming staff. Lots of encouragement.'

'Just being greeted by staff as she comes in makes a great start and provides reassurance. Love that about Mill Hill teachers.'

'We loved the transition days before school term started. It helped both of us, especially as Mill Hill was an unfamiliar surrounding. My child has settled in wonderfully.'
