Edition 9

19th Nov 2021

We have been very fortunate at Mill Hill in not having been heavily hit by the pandemic in school, however this week we have seen a rapid increase in the number of Covid cases, across both the adults and children in school. The result has been a diminished number of staff, so classes have not been able to operate in quite the usual way.

We remain vigilant and are acting upon advice from NYCC Public Health. We ask that parents do the same please. If your child has Covid symptoms, do not hesitate in carrying out a lateral flow test or have a PCR.

We need to keep everyone safe.
IT IS ESSENTIAL THAT ALL POSITIVE CASES ARE REPORTED IMMEDIATELY.
