26th Nov 2021

It has been a very difficult week in school. We have been extremely busy struggling to keep school going with only a skeleton staff but, thanks to your vigilance and tenacious testing, we feel we are coming through the Covid outbreak. Many kind messages of support have helped us deal with the situation. The Mill Hill community is second to none! Thank you. We hope we can now look forward positively towards Christmas with most of the children back in school.
