Edition 23

1st April 2022

It has been a very mixed week, we have moved from glorious sunshine to freezing cold snow! They say variety is the spice of life..... on this note, around school, I have been enjoying sharing a wide range of subjects and lessons with the children.

Children from Reception to Year 6 have been busy in the kitchen. The little ones have been making porridge, the oldest a complete meal of burger and wedges, with salad, whilst Mrs Hoare's Imaginosity group have served up some amazing dips with healthy vegetable sticks. It has been wonderful to see our kitchen fully used. This is a facility that we are very lucky to have.

Not all primary schools have a well equipped, dedicated room .

Recommended Reads
from Reading for Pleasure
Each week a reader will review a book that they have particularly enjoyed....

Today's book reviewer loves 'Factopia' by Kate Hale, illustrated by Andy Smith... There is a trail of 400 connected amazing facts in this book. Did you know the number of rings on a mountain goat's horns tell you it's age? Or that Lake Hillier in Australia is candy floss pink? This book is fabulous... and great fun!

Don't forget....shoulder length hair should be tied up.
THANK YOU!
