Edition 16

28th January 2022

It is wonderful to have the prospect of the whole of Key Stage 2 going out on a school visit once more. We have certainly missed excursions and the opportunity to visit new places and see new things.

The Countryside Day is a fabulous experience, not to be missed, held out in the fresh air or in spacious barns. Children are offered a wide range of workshops and activities, all totally free, by the Yorkshire Agricultural Society, to whom we are very grateful. June is a long way off, but we are certainly looking forward to it!

Recommended Reads from Reading for Pleasure

Each week a reader will review a book that they have particularly enjoyed...

'I have been reading 'Gut Garden' by Katie Brosnan. It's a non fiction book with lots of interesting facts about the body. The microbes are drawn as mini monsters which makes it a lot of fun. Anyone who is interested in science would really enjoy this book.'
