How lovely it was to see such support for our Summer Jamboree. It brought home just how long it is since we have welcomed parents into school... and we have missed it. Quite a number of children had never had their parents watch them run in Sports Day. It was very emotional and a few tears were shed!

What was particularly heartening, was the way that everyone cheered and supported each other. The staff were to be seen entering into the spirit of the day, running alongside children to help them over the finishing line! This really was our school community at its best, everyone mutually supporting each other in a most positive way. Lovely to see!

Recommended Reads

from Reading for Pleasure

'I am reading 'Moon Juice' by Kate Wakeling. This is a book of poetry- it's short and the title is fun. There are poems about different subjects but 'Jungle Cat' is my favourite. If you are unsure about which book to pick, give this a read.'
