

We run a number of clubs after school, and during lunch time, to enrich the opportunities offered to your Children. Staff very willingly give up their time to run these activities. In return, we ask that Children offer a level of commitment, and do not dip in and out of clubs. If your child has signed up for a Club, we ask that they attend regularly. This helps to sustain the activities available. Mrs Kidger, our PE specialist, runs an amazing gym club every Thursday for Year 5/6. There are spaces available, first come first served. **R**.Bainbridge Head Teacher

Mill Hill Matters
