23rd September 2022

This week has seen our Y6 class going off on their residential trip. This trip offers a chance to experience a whole range of fantastic activities and we know that they will come back with new skills and pride in what they have achieved – they have all pushed themselves! As ever, I am enormously grateful to the staff who give up their time to accompany the class. Without their generosity trips like these would not be possible – thank you!

Well done everyone for another great week
