Edition 4

30<sup>th</sup> September 2022

At Mill Hill, we greatly value new experiences and children challenging themselves to 'have a go'. No one should be afraid of making mistakes.....how else can we learn? Where possible we like to offer our pupils a chance to try something new, whether it be through a club, a visit or visitors into school. How encouraging to see an award this week going to a student who has experienced something new and conquered her fears in the true spirit of Mill Hill! In this vein, we are offering our Year 6 pupils the chance to improve their road safety and become competent bike riders. A huge well done to all those who are embracing this opportunity.
