Edition 28

5th May 2023

No matter how relaxed we make SATS week, there is, naturally, always some anxiety around the tests. Rest assured, we will make the children feel as comfortable as possible. They have had 'trial runs' so that they are completely familiar with the routine/set up. We will also be giving the children a relaxed start to the day by giving them the opportunity to share breakfast together. It is important that the children sleep soundly and are well fed!
