

Sometimes something happens that really brightens the day. This happened on Friday, when I received a lovely email from a member of the public regarding one of our younger pupils. She said that a **Reception** pupil has 'exceptional manners' and 'always has a bright smile on his face'. How wonderful that our school uniform has resulted in this young man being recognised in the street. A huge well done to the pupil involved, you made us proud! **R**. Bainbridge Head Teacher
