

We are always ahead of ourselves when it comes to Christmas in school....a bit like the Christmas ads on TV which seem to start as soon as Halloween is over! The minute we start back after half term, we begin preparing and rehearsing for the Christmas production. It is always a real team effort as there is a lot of hard work behind the scenes with props, scenery and costumes. Children have to learn new songs and words, dance routines and actions. It is full on and so good to see the Mill Hill team pulling together! Thank you for your support with helping the children learn their lines.
