22nd September 2023

We are always very welcoming and inclusive at Mill Hill. Many new children and families have arrived this term, settling well and becoming part of our school community. To make school run smoothly, it does help when children are well prepared with everything they need for the day ahead. PE kit should be left in school, in a bag, on your child's peg. Packed lunches, reading bags and swimming kit need to be brought at the start of the day as the office is very busy and it takes a lot of time to chasing up, or delivering, these items! Thank you for your help and cooperation in this matter.

We are looking forward to a happy and productive term!
