

It is the time of year when our gardening team get to work on their veg box. Unfortunately, the weather is not too great at the moment for sowing seeds, with such low temperatures! In addition, our old greenhouse is worse for wear, with many panels (and the door) missing, but Mrs Burn has managed to track us down a replacement! Thank you Mrs Burn. Not only do the children grow the plants, they decorate the box and produce a diary. There is a lot of work involved but our group always give their best. Fingers crossed for further successes!

Inconsiderate Parking

We have had a number of reports of inconsiderate parking around school. Please be thoughtful towards our neighbours. We will not hesitate to report persistent offenders.

Can you help?

Have you taken delivery of a new kitchen appliance? Gardening Club desperately needs some chunks of polystyrene to fill out the base of their veg box.

Please drop in any contributions to the office. THANK YOU

CLASS PHOTOGRAPHS are Tuesday 30th April. Please ensure children are wearing correct uniform, including school jumpers. THANK YOU

SMART WATCHES

We have noticed an increase in Smart watches being worn. Any device with photographic or recording capabilities is not appropriate in school.

Could we remind parents that payments are due for our visits to the Yorkshire Arboretum and the Countryside Day? Please pay online.

Please note that there will be **no Performing Arts or Rounders Clubs on Tuesday 30th April.**

FREE SCHOOL MEALS

If you think you may be entitled to Free School Meals, please call in at the office for a form. Every child with FSM brings extra funding for school.
