

HAPPY NEW YEAR!
 After a restful break we are all back, refreshed and ready to start the new year!
 At Mill Hill we have warmly welcomed a number of new children into our community across the school. It has been heartening to see our pupils make them feel at home and show them our routines. Small acts of kindness make such a difference. Our school is truly inclusive, I see this every day as I move around the building. Even our smallest children are keen to share and take care of their classmates. In addition, we have welcomed a new member of staff. Mrs Bowman has joined Mr Warden as teaching Assistant in Year 4. We are very happy that she has joined our team.
