

It has been a bitterly cold week this week, with plummeting temperatures and a cold blast from the North. Here at Mill Hill we value outdoor learning and like the children to have fresh air throughout the day. To this end, we are busy revitalising our outdoor learning area in EYFS and have made lots of new and exciting purchases.....look out for pictures appearing on Facebook! It is vital that children are adequately prepared for outdoor play with warm coats, a hat and gloves. That way they can thoroughly enjoy all that we have to offer!
