

I was very proud, when Year 5 returned from their visit to the Science Show, to hear of their exemplary behaviour. Well done to all of them for carrying the flag for Mill Hill when out in the community! Wearing a school sweatshirt clearly identifies each and every one of us as part of the school family so being recognised for being role models is always particularly pleasing. As I write, the little ones from Reception are just heading out into the community to pay a visit to All Saints Church. I am certain that they will be just as well behaved as our older children!
