

Dear Parents/Carers
 As we head into the Christmas half term, there are lots of exciting activities planned in school. We are looking forward to being submerged under glitter, glue, card and paint! An exciting array of materials have been delivered to be transformed into all manner of decorations! All of this activity will culminate in a Christmas Craft display which parents are welcome to come in and view on Friday 6th December at 2.45pm. At the end of the day, once children have been collected, they can pick up the fruits of their labours from the hall, to be treasured for many years to come! I am sure there are many child made decorations that are pulled out of the loft every year!
