Dear Parents/Carers

We are coming up to February half term which means that we are already half way through the academic year! Where has the time gone?

An email was sent to all parents last week regarding Headlice, please can we ask parents/carers to check their children's hair and treat headlice if necessary. We would also advise that any hair longer than shoulder length, be tied up.

World Book Day is on the 6th March, we encourage imaginative, homemade outfits, there will be prizes for the best dressed girl and boy in each year group, we can't wait to see everyone's costumes.

Parents and Carers are being advised to keep an eye out for head lice and nits, as this common problem usually affects school-aged children and their families.

Though head lice and nits may be a nuisance, they don't cause serious illness or carry any diseases and can be treated at home with a fine tooth comb or over-the-counter medication. See NHS website for more details: <http://www.nhs.uk/conditions/head-lice-and-nits/>
