

Dear Parents/Carers  
 It has been a lovely positive start to the new school year. A range of after school clubs are engaging the children in new interests, which is lovely to see.  
 As I walk around school, I am delighted that the new markings on the playground in EYFS and Key Stage 1 are being used with such enthusiasm. The children have been having a wonderful time playing on them!  
 Scott Montgomery, our specialist sports coach, is also back with us this year. He works right across the school teaching a whole range of sports. Hockey seems high on the agenda this term. We will be taking part in inter school competitions too. Let's hope we can build on our recent successes!
