Edition 33

15th July 2022

With only one week left before the summer holiday, we are looking forward to spending a last week with our current Year 6 who have all, by now, experienced life at their chosen secondary school.

We wish them all well as they move on to the next stage of their education.

The remaining children have all spent days with their new teachers and their new classmates. As I walk round school, everyone is happy and engaged, it is good to see.

In addition, we are welcoming our starters to reception and our brand new nursery. We welcome them to the Mill Hill family and look forward to building on their successes as they start their education.
