It always very pleasing when visitors come into our school and recognise our children as being considerate and well mannered. Recently, a team came in to monitor the height and weight of our Reception and Year 6 children. You will, therefore, understand my delight when we received an email from them....

I would just like to thank all the children that took part, they were all pleasant, well behaved and well mannered. All a true asset to your school. It is a very real joy to receive such correspondence. The children are ambassadors for our school, both within the building and outside in the community wearing the Mill Hill logo.

Flu Vaccine

We have been contacted by some parents to say that, despite booking online, and receiving an acknowledgement, their children were not vaccinated. We are very sorry about this, and have notified the NHS Foundation Trust. We understand your frustration, but this is completely out of our control. Booking is direct with the NHS who forward a list to us. As yet, we have received no response to our email.

Please be vigilant
around hand washing,
a bug is badly
affecting attendance.

Have your children come home singing new songs? It could be that they are rehearsing for our Nursery/EYFS/KS1 performance of the Boogie Woogie Nativity on 13th Dec!

NURSERY

We are delighted to see how well the children have settled in our new nursery and are thriving in the setting. If you have need for a place in the near future, please call in at the office for the relevant paperwork. Thank you.
