13<sup>th</sup> January 2023

It has been a week of reflection following our Ofsted visit. We look forward to our report and the pointers which will help navigate us through our next steps. Of course, we will also enjoy reading about what we are doing well. Everyone likes some praise! As a school, we like to reward those who achieve, hence our prizes in Friday assembly. It is always a pleasure to recognise the hard work that our children put in during the week at school, but also it is great to see children reading every day at home. Good readers make great learners!
