Can I ask that parents contact the school office before 9am if a child is not going to be in school please? We have a duty of care. If we do not hear from parents, when a child is absent, we will make contact whether it be by phone call or text. No response will result in a home visit.

If contact is not achieved at this point, it can mean a referral to other agencies if school deems it necessary. Any child who falls below 90% attendance is regarded as a persistent absentee. This can result in a referral to NYCC and a fine may result.

One day absences add up, please ensure that your child is in school wherever possible.

Well done to another ex pupil, Amelia, who goes from strength to strength with her gymnastics. She has recently won a synchronised pairs competition. Great work Amelia!

HEAD LICE

We have reported cases of head lice in school. Everyone needs to work together to eradicate this problem.

PLEASE CHECK YOUR CHILD'S HAIR AND TREAT IF NECESSARY. TAKE A PEEK ONCE A WEEK!

READING BOOKS are very expensive, and are in sets. If a child loses or damages a reading book it means we do not have enough books for a group.

PLEASE TAKE CARE OF OUR PRECIOUS READING BOOKS.
