Could I remind everyone of the importance of adhering to school times, thus ensuring that our day runs smoothly please? There are a number of children who are not arriving at 8.40. We do not want any child missing reading as this is the key to learning. In addition, late arrival causes difficulty for registers and lunch orders. Children now order their meal at the start of school and we have to give numbers to the kitchen with some urgency. A prompt start is vital at the start of the day. Thank you for your cooperation.
