

We are delighted that Scott Montgomery, our sport specialist, has started working with the KS1 and EYFS children this week. As I write, there are shrieks of delight coming from the hall as Nursery participate in a range of fun activities! How lovely that the youngest members of our school are being prepared for full time provision in such a way.

Before long, we will be seeing them proudly displaying medals like our KS2 teams who participate in the local school team events. It is always pleasing when they are successful, especially when they are praised for great sportsmanship and team spirit.
